1.53. “Telecommunication Services” means cable, cable television, computer, data transmission, internet and intranet access and service (and any new or replacement technology), telecommunication, telephone, television, and other means of communicating, receiving, and transmitting audio, video, visual, and other data signals through electrical, light wave, radio, or other technology, whether now existing or hereafter developed.

1.54. “Town” means the Town of Superior, Colorado.

1.55. “Tract” means any portion of the Property designated on a Plat as a Tract, Parcel or Outlot and owned by the Declarant, the Town, the Metropolitan Districts or other governmental entity. Unless otherwise stated, Tracts are not subject to the provisions of this Declaration.

1.56. “Utilities” means all utility services necessary or convenient for the use and enjoyment of the Lots (including, but not necessarily limited to, electric, gas, water, sewer service and Telecommunication Facilities).

1.57. “Violation” means (a) an Improvement that has been performed without obtaining the DRC’s approval, (b) an Improvement that was not performed in substantial compliance with the approval that was granted by the Metropolitan Districts, (or as delegated) the Operating District or the DRC (including, without limitation, any time periods for completion), or (c) any other violation of the Restrictions by an Owner.

## **ARTICLE 2. DEVELOPMENT OF THE PROPERTY/ANNEXATION**

2.1. Subdivision and Development by the Declarant. The Declarant has designated or intends to designate all or a portion of the Property into Lots for residential development, commercial, office and/or private recreation and related uses.

2.2. Conveyance and Acceptance of Metropolitan District Property. The Declarant expressly reserves the right in the course of planning the Property to convey to the Metropolitan Districts certain Lots or Tracts and/or other property or facilities which are deemed by the Declarant to be most suitable for maintenance and administration by the Metropolitan Districts, and which are hereinafter referred to as “Metropolitan District Property” as defined in **Section 1.24**. The Declarant contemplates that maintenance of certain open space, parks, sidewalks and roads may be assumed by the Metropolitan Districts or another governmental entity.

Conveyance of real property from the Declarant, a Builder or other Owner to the Metropolitan District(s) shall be made by a separate conveyance deed whereby the designated Metropolitan District(s) shall accept such real property and all duties and responsibilities provided and assumed by the Metropolitan District(s) in this Declaration.

2.3. Merger. The properties, rights and obligations of the Metropolitan Districts, by operation of law, may be transferred to another surviving governmental entity or consolidated association similar in nature and purposes. The surviving governmental entity or consolidated association may administer the covenants and restrictions established upon any other basis as one scheme. No such merger or consolidation, however, shall effect any revocation, change, or addition to the covenants established by this Declaration within the Property except as expressly hereinafter provided.

2.4. Manner and Effect of Annexation. Portions of real property in addition to the Property, from time to time may become part of and made subject to this Declaration as hereinafter set forth.

2.5. Supplements to this Declaration. If the Declarant elects to submit any additional real property to this Declaration, such additions shall be described in and effected by a duly Recorded Supplemental Declaration. The Recording of any such Supplemental Declaration and the resulting expansion of the Property shall not require the consent or ratification of any Owner other than the Declarant. A Supplemental Declaration may impose on the real property described therein additional covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and provisions other than those set forth in this Declaration, taking into account the unique and particular aspects of the Neighborhoods within the real property covered thereby. A Supplemental Declaration which applies only to Commercial, Office and/or Civic Space may also specify that certain use restrictions contained in this Declaration do not apply to all or a portion of the real property described in such Supplemental Declaration in light of the non-Residential uses being made of such property, and in which cases the Supplemental Declaration also may contain use restrictions different from this Declaration. Upon Recordation of a Supplemental Declaration, the portion of the real property subject to the Supplemental Declaration shall become part of the Property and shall be subject to all covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and other provisions set forth in this Declaration, except to the extent permitted hereunder and otherwise specifically stated in the Supplemental Declaration. Any additional use restrictions contained in a Supplemental Declaration shall only apply to the real property subject to that Supplemental Declaration.

2.6. No Annexation Required; Contraction of Property. Notwithstanding any other provision of this Declaration to the contrary, nothing in this Declaration shall be construed to obligate the Declarant to make any real property other than the Property subject to this Declaration. The Declarant expressly reserves the right, in its sole discretion, from time to time to remove or withdraw any portion of the Property effective upon the Recordation of a written instrument, executed by the Declarant, referring to this Declaration, describing such portion and declaring that such portion shall thereafter be withdrawn from the Property under this Declaration. The recording of any such written instrument and the withdrawal of any portion of the Property shall not require the consent or ratification of any Owner or the owner of any portion of the Property other than the Declarant, but shall require the written consent of the Owner of the portion of the Property being

withdrawn, if and only if at the time such portion of the Property then being withdrawn from the Property is not then owned by the Declarant.

### ARTICLE 3. METROPOLITAN DISTRICTS

3.1. Powers and Authority. The Property is located within the boundaries of one or more of the Metropolitan Districts. The Operating District and the Finance District(s) have entered into or may enter into an Intergovernmental Agreement, to be duly approved by the registered electors and Board of Directors of the Metropolitan District(s), whereby the Operating District has agreed or may agree to perform the duties, rights and obligations of the Finance District(s), and the Finance District(s) have agreed to impose such taxes, fees, rates, tolls and charges as are permitted under the Metropolitan Districts' Service Plan(s) and Applicable Law to pay for the provision of such services, including the provision of covenant enforcement and design review services as set forth in this Declaration. The Metropolitan Districts, or the Operating District to the extent delegated (together hereinafter referred to variably as the "Metropolitan Districts" the "Districts" or the "Operating District") shall have, and may exercise with regard to the Property, all powers and authority reasonably necessary to administer their rights and duties under this Declaration, including, without limitation: (a) the power to adopt and amend budgets for revenues, expenditures, and reserves; (b) the power to collect taxes and fees for expenses from the Owners to administer its duties and obligations provided in this Declaration; (c) the power to manage and enforce the Restrictions provided herein; (d) the power to contract with a third-party property manager for the management of the Property and/or for all other duties and responsibilities related to the overall operation of the Property; and (e) all other rights, powers and authority necessary to enforce this Declaration. The Metropolitan District(s) may adopt Rules and Regulations; provided that any Rules and Regulations applicable to the Property shall be consistent with Rules and Regulations applied to other properties within the Superior Town Center with the same type of use (Residential, Commercial, Office, etc.). Additionally, subject to Declarant's reservations set forth in **Section 5.1**, a Metropolitan District, acting through its governing board, shall have the power to levy reasonable fees, fines and penalties for violations of any provision of this Declaration and/or the Rules and Regulations as allowed by its Service Plan and Applicable Law. The mechanism for collection of any such fees, fines and penalties shall be as provided in **ARTICLES 5 and 6** of this Declaration. Financial obligations of the Metropolitan Districts, not otherwise reimbursed as set forth herein, shall be subject to the budget and annual appropriation limitations contained in Applicable Laws.

3.2. Enforcement of Guidelines and Restrictions. Each Owner, by its acceptance of title to a Lot, hereby assigns and delegates and consents to the assignment and delegation to the Metropolitan Districts, in their own name as an Owner of property within the Property and on behalf of all Owners of Lots, the authority, power, right, and responsibility to enforce the covenants, Guidelines, and Restrictions contained in this Declaration. The enforcement of the covenants, Guidelines and Restrictions shall be conducted by the Metropolitan Districts in accordance with Applicable Law and consistent with enforcement against other properties within the Superior Town Center.

3.3. Cooperation with the Metropolitan Districts. The Metropolitan Districts shall have the right and authority at any time, from time to time to enter into agreements and otherwise cooperate with any Neighborhood Association or other community associations, any other

governmental or quasi-governmental entity, and/or any other districts in furtherance of performing the services called for under this Declaration.

3.4. Delegation and Termination of Rights. The enforcement of the covenants, Guidelines and Restrictions hereof may be delegated in whole or in part by the Finance Districts and/or Operating District to one another or to a Subdistrict with respect to a portion of the Property described in a deed or other Recorded instrument.

#### ARTICLE 4. MAINTENANCE

4.1. General Maintenance. All property in the Property shall be maintained in accordance with standards established by the DRC and/or the Metropolitan Districts.

4.2. Maintenance of Property and Improvements. At all times property within the Property shall be maintained in accordance with the standards established by the DRC and/or the Metropolitan Districts, and all property within the Property, including all improvements and landscaping shall be kept and maintained in a clean, safe and attractive condition, in good repair, as determined by the DRC and/or the Metropolitan Districts and in accordance with all Applicable Laws. Maintenance, repair, and upkeep of the Property shall be allocated among the Owners as follows: (i) the maintenance, repair and upkeep of each Lot shall be the responsibility of the Lot Owner; (ii) the maintenance, repair, and upkeep of all other Tracts or Lots shall be the responsibility of the Metropolitan Districts except as may otherwise be provided herein or in a Supplemental Declaration or other Recorded instrument. At their option, the Metropolitan Districts may contract with third parties to perform maintenance, repair, and upkeep obligations hereunder. Nothing shall be done or kept on any property within the Property in violation of any Applicable Law. All maintenance, repair and upkeep by Lot Owners shall be performed in a manner considered acceptable to the Metropolitan Districts and/or the DRC, and in a manner which complies with this Declaration and the Rules and Regulations. No improvements, alterations, repairs, change of paint colors, excavations, changes in grade or other work which in any way alters the exterior of any Lot or Improvements located thereon from its natural or improved state existing on the date such Lot was first subject to this Declaration shall be made or done without compliance with the procedures set forth in **ARTICLE 6** of this Declaration.

4.3. Maintenance of Landscaping. Landscaping shall be installed on the side, front and back yards of each Residential Site by the Builder or if the Builder fails to install landscaping, by the Owner, within the first growing season in effect after acquisition of title to such Residential Site by the Builder or Owner of such; provided, however, that if such acquisition occurs between the months of October and March, landscaping will be installed in the subsequent spring following such acquisition. Xeriscaping and other landscaping approved by the Town in a Site Plan will be permitted to satisfy landscaping requirements. Landscaping (including xeriscaping) plans and sprinkler system plans must be submitted to the Metropolitan Districts or DRC, as applicable, for review, and the approval of such plans shall be obtained from the applicable governing board prior to the installation of landscaping and sprinkler systems. Each Owner shall maintain all landscaping on such Owner's Lot in a neat, clean, safe and attractive condition, including periodic and horticulturally correct pruning, removal of weeds and debris, and replacement of dead plants.

4.4. Fencing and Maintenance of Fencing by Owners. No fence, including a fence for the containment of any pets permitted by the Restrictions, may be constructed by an Owner on a Lot without the prior approval of the Metropolitan Districts or the DRC, as applicable. Any fences constructed on a Lot (including, without limitation, any fences constructed by a Builder or Metropolitan District) must be repaired and maintained by the Owner of that Lot or by each of the Owners of adjacent Lots in the event such fence is located on a Lot boundary line between the adjacent Lots and shared by such Lots, and such Owners shall be responsible for maintaining the portion of the fence that faces the Owner's Lot. The cost of reasonable repair and maintenance of a fence shall be shared equally by the Owners of the adjacent Lots sharing the fence. If a shared fence is destroyed or damaged by fire or other casualty, any Owner whose Lot abuts the fence may restore it, and the Owner of the other Lot(s) abutting the fence shall contribute equally to the cost of restoration thereof, subject, however, to the right of any such Owners to call for a larger contribution from the other Owners under any rule of law regarding liability for negligent or willful acts or omissions. Notwithstanding any other provision of this Declaration, an Owner who by his, her or its negligence or willful acts causes a shared fence to be damaged shall bear the entire cost of repairing such damage. Within ten (10) days after the occurrence of the damage, the Owner causing such damage shall commence to repair or reconstruct the damaged fence to its original condition and shall diligently complete all such repairs and reconstruction. If such Owner shall fail to do so, then the non-responsible Owner of a Lot abutting such fence may do so at the sole cost and expense of the Owner causing such damage. All repairs and maintenance shall conform to existing fence materials and finishes.

4.5. Maintenance by Metropolitan Districts/the Declarant. The Metropolitan Districts or the Declarant (or a Builder, with the Declarant's consent) may construct certain entryways, fences, fence pillars, stone pilasters or walls on or within the Property, including the Metropolitan District Property. The constructing party shall also maintain such entryways, fences, fence pillars, stone pilasters or walls at its sole cost and expense; provided, however, that the Metropolitan Districts shall be responsible for maintenance of all stone pilasters constructed by Declarant or any Builder on the Property. No Owner shall construct, modify, replace, paint or obstruct any such entryways, fences, fence pillars, stone pilasters or walls without the prior written approval of the Metropolitan Districts or the DRC, as applicable.

4.6. Construction and Maintenance of Perimeter Fencing. The Metropolitan Districts or a Builder may install perimeter fencing along exterior portions of the Property or a Neighborhood. Perimeter fencing must be constructed pursuant to requirements of the Town, in accordance with the Property Documents and the Guidelines, as defined in Section 5.1 below. Some portions of such fencing may be constructed on Lot boundary lines, and other portions may be constructed adjacent to the Lots. Owners of Lots with perimeter fencing (either on the Lot boundary line or appurtenant to said Lot) shall be responsible for maintaining the portion of the fence that faces the Owner's Lot, to the extent such Owner is also responsible for landscaping and maintaining his or her Lot. All repairs and maintenance of perimeter fencing shall conform to existing materials and finishes.

4.7. Maintenance of Drainage. Each Owner shall maintain the grading upon such Owner's Lot (including grading around the building foundation) at the slope and pitch fixed by the final grading thereof, including landscaping and maintenance of the slopes, so as to maintain the established drainage. Each Owner agrees that it will not in any way interfere with the

established drainage pattern over the Owner's Lot. In the event that it is necessary or desirable to change the established drainage over any Lot, then the Owner thereof shall submit a plan to the Metropolitan Districts or as applicable the DRC for its review and approval, and any such approved change shall also be made in accordance with all Applicable Laws. For purposes of this **Section 4.7**, "established drainage" means the drainage which exists at the time final grading of a Lot by the Declarant, or by a Builder, is completed.

4.8. Additional Requirements in Supplemental Declarations. Notwithstanding the foregoing provisions of **Sections 4.1 to 4.7**, a Supplemental Declaration may adopt additional maintenance requirements for certain Subdistricts or Neighborhoods subject to such Supplemental Declaration, provided that such Supplemental Declaration has been approved by the Declarant and otherwise conforms to the requirements of **Section 2.5**.

4.9. Metropolitan Districts' Right to Perform Work. In the event any Lot Owner shall fail to timely and/or satisfactorily perform any maintenance, repair or upkeep obligations of such Lot Owner, the DRC or Metropolitan Districts may give written notice to the Lot Owner of the work required to be performed, and, if such failure to perform the work continues for a period of thirty (30) days after such notice has been given, the Metropolitan Districts may enter upon the Lot and perform the necessary maintenance, repairs or upkeep including grading; provided, however, that the Metropolitan Districts may, but shall not be required to, enter upon a Lot in order to perform maintenance, repairs or upkeep without prior notice to the Lot Owner in the event of an emergency, as determined by the Metropolitan Districts in their reasonable discretion. The cost of any such maintenance, repair or upkeep shall be the obligation of the Lot Owner and shall be added to and become a part of the fee to which the Lot is subject and the Metropolitan Districts shall have a lien to secure such fee as provided by this Declaration. Such fees shall be payable by the Lot Owner upon demand by the Metropolitan Districts.

4.10. Metropolitan Districts' Easement to Perform Work. The Metropolitan Districts shall have an easement over, across and upon each Lot (and to the extent necessary, any Improvements on or in such Lot) permitting the Metropolitan Districts, their agents, employees and independent contractors to enter upon the Lot as reasonably necessary and with reasonable notice so that the Metropolitan Districts may perform any required work on the Lot pursuant to this Declaration. All persons performing such work shall use reasonable efforts to minimize interference with the Lot Owners' use and enjoyment of the Lot when performing such work.

4.11. Damage by Owner. Notwithstanding anything to the contrary contained in this Declaration, in the event the need for the Metropolitan Districts to maintain, repair or replace any portion of the Metropolitan District Property is caused by the negligence, willful act or other misconduct of an Owner, or a member of such Owner's family or a guest, invitee or tenant of an Owner, or any Person acting by, for or under any of the foregoing, the costs of such repair, replacement or maintenance shall be the personal obligation of such Owner, and the costs, expenses and fees incurred by the Metropolitan Districts for the same shall be levied against such Owner as part of such Owner's taxes and fees to be collected by the Metropolitan Districts. The Metropolitan Districts shall have a lien against such Owner's Lot to secure such taxes and fees.

## ARTICLE 5. DESIGN REVIEW COMMITTEE

5.1. Design Review Committee and Design Guidelines. The Design Review Committee (“DRC”) shall consist of three (3) regular members, and up to two (2) alternate members, each of whom shall have the right to attend all meetings of the DRC and in the absence of any regular member at any such meeting vote on all matters that come before the DRC at that meeting. From the date of recording this Declaration, unless and until notice is provided by the Declarant as set forth below, the DRC for the Property shall be the same as the DRC for the Superior Town Center and the members of the DRC shall be appointed by the Declarant of the Superior Town Center or the Metropolitan Districts. For such time as Declarant owns any Lot within the Property, Declarant may elect, in writing provided to the Declarant of the Superior Town Center and the Metropolitan Districts to establish a separate DRC for the Property only, with members appointed by the Declarant. From and after the earlier of (a) the date on which there is deemed to be no Declarant under this Declaration, and (b) the date on which all Lots within the Property have been conveyed to and/or are owned by Persons other than Declarant, the DRC shall be the same as the DRC for the Superior Town Center Property and all regular and alternate members of the DRC shall be appointed per the STC Master Covenants. Any member of the DRC may be removed at any time by the entity that appointed that member (the “Appointing Entity”) and each member shall serve for a term as may be designated by the Appointing Entity or until resignation or removal by the Appointing Entity. The DRC shall be responsible for the ministerial administration and application of the Guidelines to facilitate the purposes and intent of this Declaration. Separate and distinct Guidelines may apply to one or more specific Neighborhoods within the Property, if contained in a Supplemental Declaration or approved by the owners of a majority of the affected Lots. Other Guidelines may apply to the Property as a whole. All such Guidelines shall be prepared and adopted by the DRC and administered by the DRC and shall be consistent with Guidelines for similar Neighborhoods in the Superior Town Center Property. The DRC may promulgate, amend, vary, repeal and augment the Guidelines from time to time, in its reasonable discretion based on concerns for good planning and design, the aesthetic, architectural and environmental harmony of Superior Town Center, or other factors considered necessary or desirable to fulfill the intent of the Guidelines. The Guidelines shall be binding on the Property, provided, however, that the Guidelines shall only be binding on any Commercial Sites, Office Sites, Private Recreational Facility or Civic Space made subject to this Declaration if specifically provided for in the Supplemental Declaration relating to such Commercial Sites, Office Sites, Private Recreational Facility or Civic Space. In the event of any conflict between the Guidelines and this Declaration, this Declaration shall control. The Guidelines may include among other things, those restrictions and limitations set forth below:

- (a) Standards establishing an architectural theme and requirements pertaining to building style and design, colors, construction materials and site planning.
- (b) Procedures for making an application to the DRC for approval, including the documents to be submitted and the time limits for such submission.
- (c) Time limitations for the completion, within specified periods after approval, of the improvements for which approval is required under the Guidelines.

(d) Designation of building setbacks, which shall be not more restrictive than the minimum setbacks established by the Town for the Property.

(e) Minimum and maximum areas of living space that may be developed on any Lot; provided that any such limits are consistent with Town Code limitations and allow the areas of living space approved in the Property Documents.

(f) Limitations on the height of any Residence or other Improvement, which shall not be more restrictive than height limitations established by the Town, except that more restrictive height limits may be adopted for detached sheds and other detached accessory structures.

(g) Specifications for the location, dimensions and appearance or screening of any fences, accessory structures, antennae or other such Improvements.

(h) Landscaping regulations.

(i) General conditions for the construction, reconstruction, refinishing or alteration of any Improvement.

(j) Rules for construction activities, as well as maintaining construction sites and adjacent areas.

5.2. Purpose and General Authority. The DRC shall review, study and either approve or reject proposed Improvements, including landscaping, on the Property, all in compliance with this Declaration and as further set forth in the Guidelines and such Rules and Regulations as the DRC may establish from time to time to govern its proceedings. No Improvement shall be erected, placed, reconstructed, replaced, repaired or otherwise altered, nor shall any construction, repair or reconstruction be commenced until plans for the Improvements shall have been approved by the DRC; provided, however, that Improvements that are completely within, and not visible from the outside of, a building may be undertaken without such approval, provided such Improvements do not affect the structural integrity of a building, or impact any party walls or other common or shared areas between Lots. In the event of destruction or damage to an existing structure that was part of the original construction, the DRC shall approve construction of a substantially similar replacement structure. All Improvements shall be constructed only in accordance with plans therefor approved by the DRC. In addition to reviewing and approving plans for Improvements, the DRC may review applications from Owners regarding proposed variances from the Restrictions or the Guidelines, and approve or disapprove the same.

5.3. Approval of Improvements Required. Except as may be otherwise set forth in a Supplemental Declaration, the approval of the DRC shall be required for any Improvement on any Lot except where prior approval of an Improvement on a Lot has been waived by the DRC or certain Improvements have been exempted in writing by the DRC or specifically exempted in the Guidelines. The foregoing notwithstanding, the approval of the DRC shall not be required for any Improvement made by the Declarant, or for any Improvement made by a Builder, the plans for which have been approved by the Declarant in writing. Further, DRC approval of any Commercial use, Office use or Civic Space shall not be required unless DRC approval is specifically required by the Supplemental Declaration making such Commercial Site, Office Site or Civic Space part of the Property.

5.4. Improvement Defined. An Improvement requiring approval of the DRC means and includes, without limitation: (a) the construction, installation, erection, or expansion of any building, structure, or other Improvement, including utility facilities and fences; (b) the demolition or destruction, by voluntary action, of any building, structure, or other Improvement; (c) the grading, excavation, filling, or similar disturbance to the surface of the land including, without limitation, change of grade, change of ground level, change of drainage pattern, or change of stream bed; (d) installation of landscaping on a Lot or replacement of more than five percent (5%) of the total organic landscaped area on a Lot with non-organic landscape materials; (e) any change or alteration of any previously approved Improvement, including any change of exterior appearance, color or texture; and including any of the Improvements as defined in **Section 1.20**.

5.5. Submission of Plans. Prior to commencement of work to accomplish any proposed Improvement requiring DRC approval, including landscaping, to a Lot, the Owner proposing to make such Improvement (the "Applicant") shall submit to the DRC at its offices or at such place as it may designate for such purpose such descriptions, sketches, surveys, plot plans, drainage plans, elevation drawings, construction plans, specifications and samples of materials and colors as the DRC reasonably shall request showing the nature, kind, shape, height, width, color, materials and location of the proposed Improvement. The DRC may require submission of additional plans, specifications or other information prior to approving or disapproving the proposed Improvement. Until receipt by the DRC of all required design review fees and materials in connection with the proposed Improvement, the DRC may postpone review of any materials submitted for approval.

5.6. DRC Approval. The DRC, by majority vote, shall approve plans and specifications submitted to it only if it determines that the construction, alteration and additions contemplated thereby, and in the location as indicated, will comply with this Declaration, the applicable Supplemental Declaration, if any, the Guidelines, and the Property Documents and will serve to preserve and/or enhance the values of the Lots within the Property and will maintain a harmonious relationship among structures, vegetation, topography and the overall design of the Property. All plans and specifications submitted to the DRC shall be drawn to scale and include such detail necessary for the DRC to make an informed review of such plans and specifications. The DRC may reject any plans and specifications it deems to be insufficient, in its reasonable discretion. The DRC may condition its approval of plans and specifications for Improvements on such changes therein as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving the material submitted. The DRC shall consider the proposed quality of workmanship, type of materials and harmony of

exterior design with other portions of the Property. Furthermore, unless otherwise allowed in writing by the DRC, an Owner shall not apply for a building permit for any Improvements from the Town or other governmental authority having jurisdiction over the Property until DRC approval for such Improvements has been obtained. Approval by the DRC shall be in writing or indicated by endorsement on the plans and specifications submitted for approval. No building, other structure or landscaping shall be erected or allowed to remain on any Lot which violates this Declaration. The issuance of a building permit by the Town or other governmental authority having jurisdiction over the Property shall not prevent or prohibit the DRC from enforcing the terms and provisions of this Declaration. Furthermore, any approval granted shall not be considered a permit to build under applicable governmental regulations. Compliance with the provisions of **ARTICLE 5** hereof is not a substitute for compliance with the Town and other governmental building, zoning and subdivision regulations and other Applicable Laws, and each Owner is responsible for obtaining all approvals, licenses and permits as may be required prior to commencing construction of Improvements. Furthermore, DRC approval does not approve or guarantee engineering design or compliance with Applicable Laws, and does not constitute any representation by the DRC as to such matter. The Owner is solely responsible for all such compliance. By approving plans and specifications, neither the DRC, its members, the Metropolitan Districts nor the Declarant assumes any liability or responsibility for engineering design, construction, valuation, or that the approved plans and specifications will maintain a harmonious relationship among structures, vegetation, topography or the overall design of the Property, or be in compliance with Applicable Laws.

5.7. Failure of DRC to Approve Plans. The DRC shall use its best efforts to respond to any request for a proposed Improvements within sixty (60) days of receipt of all required fees and materials. Any request for approval of a proposed Improvement shall be deemed disapproved, unless written approval is transmitted to the Applicant by the DRC within sixty (60) days after the date of receipt by the DRC of all required fees and materials. If additional fees, information, or materials are requested by the DRC, the sixty-day time period within which the DRC is required to make its decision shall be automatically extended to sixty (60) days after the DRC receives the requested fees, information, or materials. If the DRC fails to approve or disapproves submitted plans and specifications, such as non-approval may be appealed to the Metropolitan Districts, which shall hold a public hearing and consider the appeal within sixty (60) days.

5.8. Prosecution of Work After Approval. After approval of any proposed Improvement by the DRC, the proposed Improvement shall be accomplished as promptly and diligently as possible and in complete conformity with the description of the proposed Improvement, any materials submitted to the DRC in connection with the proposed Improvement, and any conditions imposed by the DRC and all Applicable Laws. Failure (a) to complete the proposed Improvement within twelve (12) months after the date of approval or such other period or extension of the initial twelve-month period as specified in the Guidelines or in writing by the DRC, or (b) to complete the Improvement in accordance with the description and materials furnished to, and the conditions imposed by, the DRC and all Applicable Laws, shall constitute noncompliance with the requirements for approval of the Improvement.

5.9. Notice of Completion. Upon completion of any Improvement, the Applicant shall submit a written notice of completion to the DRC requesting final approval of the Improvement. No Owner or Builder shall seek a certificate of occupancy for any Improvement until receipt of final approval from the DRC, which shall not be unreasonably withheld or delayed.

5.10. Inspection of the Work. Any member or authorized agent or consultant of the DRC, may enter upon any Lot at any reasonable time after notice to the Owner, without being deemed guilty of trespass, in order to inspect any Improvement on a Lot (including an interior Improvement which is subject to DRC review) prior to or after completion in order to determine whether or not the Improvement is being completed or has been completed in compliance with the approval granted pursuant to **Section 5.6** and **Section 5.8**; provided, however, that the right of inspection shall terminate ninety (90) days after the DRC's receipt the Applicant's notice of completion. Failure of the DRC to inspect the work shall not relieve the Applicant from its obligations to comply with this Declaration or all conditions of approval or prevent the DRC from pursuing all remedies available to it in the event of any Violation.

5.11. Violation Failure to Comply with Approved Plans.

(a) Notice of Violation. If, as a result of the DRC's inspection of a newly-constructed Improvement per **Section 5.10**, the DRC determines that a Violation exists because the Improvement has not been completed in compliance with the approved plans, the DRC shall issue a Notice of Violation to the noncompliant Owner within thirty (30) days of inspection. The Notice of Violation shall be sent via certified mail/return receipt requested and shall identify the particular circumstances or conditions of the Violation and shall require the Owner to take such action as may be necessary to connect, remedy or otherwise remove the Violation, including the time period in which the Violation is to be remedied and shall be in accordance with **Section 5.12**.

(b) Remedies. If an Owner fails to remedy the Violation within the time period specified in the Notice of Violation, the DRC shall have all remedies available to it at law or in equity, including without limitation the following remedies:

(i) An Appointing Entity or the DRC may Record a Notice of Violation against the Lot on which the Violation exists;

(ii) An Appointing Entity, upon request of the DRC, shall have the right to remove, modify or otherwise correct any Violation constructed, reconstruct refinished, altered or maintained upon a Lot that is a Violation of the Restrictions, or otherwise correct, remedy or otherwise remove any Violation in any manner the DRC advises is appropriate;

(iii) An Appointing Entity may file an action for injunctive relief to cause an existing violation to be brought into compliance with the Declaration, the Guidelines and/or any Rules and Regulations and the Appointing Entity shall be entitled to recover all costs and attorney's fees associated with bringing the action;

(iv) An Appointing Entity upon recommendation of the DRC may levy reasonable Fines for such Violation; and

(v) An Appointing Entity shall be entitled to collect, and shall have a lien against, the noncompliant Lot to secure (1) payment for expenses incurred in obtaining injunctive relief, including costs and attorney's fees (2) payment for reimbursement by the noncompliant Owner for any work performed by the DRC or an Appointing Entity to remove, modify or otherwise correct the Violation, plus the following amounts, to the extent not inconsistent with Applicable Laws: (3) interest on such amount after the due date on the invoice at a rate equal to two percent (2%) over the prime rate of interest quoted at such time in the Wall Street Journal, (4) an additional charge on such amount equal to four percent (4%) of the amount due, and (5) all costs and expenses of collecting the unpaid amount, including reasonable attorneys' fees.

5.12. General Inspections; Violation Identified by Another Owner; Notice and Hearing Procedures.

(a) General Inspections. In addition to the inspection of completed Work as provided in **Section 5.10** and other provision of this Declaration, any member or authorized agent or consultant the DRC, may enter upon any Lot, at any reasonable time after notice to the Owner without being guilty of trespass, in order to investigate or inspect any part or portion of the Property for conformance or compliance with the Restrictions, and the DRC approved Improvements. Where such investigation or inspection reveals that any part or portion of such Lot is in violation of the Restrictions, the DRC may issue a Notice of Violation to the Owner of the Lot. The Notice of Violation shall be sent via certified mail/return receipt requested and shall identify the particular circumstances or conditions of the Lot that fail to conform to the Restrictions. The Notice of Violation sent pursuant to this **Section 5.12** shall also contain the date, time, and place of a hearing to be held by the DRC for the purpose of evaluating the Lot's conformance with such Restrictions and to consider the issuance of a finding of Violation. Any Notice of Violation sent pursuant to this **Section 5.12** shall also be sent via first class U.S. mail addressed to "Occupant" at the address of the alleged nonconforming Lot, which is subject to the Declaration for which the Notice of Violation is issued, as well as a copy to any Owner notifying the DRC of any alleged Violation in accordance with subsection (b) below. All such Notices of Violation shall be sent no less than fifteen (15) days prior to the date of the hearing.

(b) Violation Identified by Another Owner. If an Owner alleges that another Owner is in Violation of this **ARTICLE 5** or otherwise is not in compliance with any Restrictions, the complaining Owner must first submit written notice to the DRC of the alleged Violation, and the DRC may investigate such allegation and may, if warranted, send a Notice of Violation to the alleged noncompliant Owner in accordance with subsection (a) above. A hearing must be held by the DRC before the complaining Owner may resort to Legal or other action for relief.

(c) Procedure for Hearing. On the date and time of the hearing specified in any Notice of Violation, the DRC shall hear and consider information and evidence presented by any Owners or other interested parties regarding the conformance of the subject Lot with such Restrictions. The hearing shall be conducted in accordance with any rules and procedures promulgated by the DRC. Not more than five (5) business days following the

hearing, the DRC shall either: (i) make a finding that the Lot is in compliance with the applicable Restrictions; (ii) make a finding that the Lot is in Violation of the applicable Restrictions; or (iii) continue the hearing to a date certain for the purpose of obtaining additional information regarding the alleged Violation. The decision of the DRC shall be final. Where the Lot is determined to be in Violation of the Restrictions, the DRC shall issue a written finding of Violation, which shall include the time period in which the Violation is to be corrected, remedied or otherwise removed. Following such decision, any noncompliant Owner shall correct, remedy, or otherwise remove the Violation within the time period specified in the written finding of the DRC. If the Owner does not comply within the specified time period, the DRC may, at its option, pursue those remedies specified in **Section 5.11(b)**. Notwithstanding anything to the contrary contained herein, at any time prior to the DRC's final determination of Violation, an Owner may notify the DRC in writing that the Violation has been corrected, remedied or removed. Following inspection of the Lot by the DRC and confirmation that the Lot is in compliance the DRC may suspend or dismiss all actions to enforce its remedies.

(d) Rights of the DRC The rights of the DRC to remove, modify or otherwise connect any Improvement constructed, reconstructed, refinished, altered or maintained upon a Lot in Violation of the Restrictions, or otherwise correct, remedy or otherwise remove any Violation shall be in addition to all other rights and remedies which the DRC may have at law, in equity or under the Restrictions.

(e) No Representation. Any inspection made by the DRC pursuant to the Restrictions shall not constitute a representation by the DRC that there has been or will be compliance with this Declaration, the approved plans for any Improvements, the Guidelines or any other architectural guidelines or design standards, rules or regulations promulgated under this Declaration, or that the subject Lot, and the Improvements thereon, are free from defective materials or workmanship.

5.13. Discretion and Variances. The DRC may, but is under no obligation to, authorize variances from compliance with any of the provisions of the Restrictions and the Guidelines, including restrictions on height, size, floor area, or placement of structures or similar restrictions taking into account circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations. Such variances must be in writing and shall become effective only when signed by at least a majority of the DRC. If any such variance is granted, no violation of the provisions of the Restrictions or the Guidelines shall be deemed to have occurred with respect to the matter for which the variance is granted. However, the granting of a variance shall not affect in any way the Owner's obligation to comply with any Applicable Laws and any conditions imposed by the DRC in granting the variance.

5.14. No implied Waiver or Estoppel. No action or failure to act by the DRC, including the granting of a variance, shall constitute a waiver or estoppel with respect to future action by the DRC with respect to any matter covered by this Declaration. Specifically, the approval by the DRC of any Improvement or granting of a variance shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar Improvement on the same Lot or any other Lots or any similar proposals, plans, specifications, or other materials submitted with respect to any other Improvement on the same Lot or any other Lot.

5.15. Changes to Approved Plans. Any and all changes or alterations whatsoever to plans previously approved by the DRC must be reviewed and approved by the DRC.

5.16. Binding Effect. The reasonable actions of the DRC in the exercise of its discretion by its approval or disapproval of plans and other information submitted to it, or with respect to any other matter before it, shall be conclusive and binding on all interested parties.

5.17. Fees and Expenses. Except as provided in the next sentence, all expenses of the DRC shall be paid by the Districts with revenues derived from the portion of the Property and the Superior Town Center Property within which the DRC's services are performed. The DRC shall have the right to charge fees and deposits for each application submitted to the DRC for review, in an amount which may be established by the DRC from time to time, and such fees shall be collected by the DRC to recover the fair and reasonable costs of such service as is directly related to such application. The Appointing Entity or a private management company hired by the Appointing Entity shall provide the DRC with staff for the recording of committee meeting minutes and assistance with other administrative needs, at the Appointing Entity's cost and expense as it deems reasonably necessary.

5.18. Limitation of Liability. Neither the DRC nor any individual DRC member shall be liable to any person for any official act of the DRC in connection with submitted plans and specifications, except to the extent the DRC or any individual DRC member acted willfully or in bad faith. The DRC, its members and the Metropolitan Districts shall not be responsible or liable to any Owner, developer or contractor with respect to any loss, liability, claim or expense which may arise by reason of plan approval or disapproval or the construction of Improvements whether or not pursuant to any approved plans. As set forth in **Section 5.6**, neither the DRC, the Metropolitan Districts, nor any agent thereof, nor the Declarant or any of its managers, members, employees, agents or consultants shall be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of, the Improvement to Property from the standpoint of safety, whether structural or otherwise or conformance with any Applicable Laws. Members of the DRC, to the extent appointed by the Metropolitan District(s), shall be defended and indemnified by the Metropolitan District(s) in any such suit or proceeding which may arise by reason of the DRC's decision. The Metropolitan District(s), however, shall not be obligated to indemnify each member of the DRC to the extent any such member of the DRC is adjudged to be liable for bad faith or willful misconduct in the performance of his or her duty as a member of the DRC, unless and then only to the extent that the court in which such action or suit may be brought determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expense as such court shall deem proper.

5.19. Construction and Certificate of Compliance. All approved Improvements constructed upon a Lot shall be constructed in strict accordance with the plans and specifications approved by the DRC. Upon written request of any Owner or his agent, or a prospective transferee and upon payment of a reasonable fee established from time to time by the DRC, the DRC shall issue a certificate setting forth generally whether, to the best of the DRC's knowledge, the Improvements on a particular Lot are in compliance with the terms and conditions of the Guidelines and this Declaration.

5.20. Access Easement. Each Lot is subject to an easement in favor of the DRC, including its respective members, employees, agents and representatives for performing any of the actions contemplated by this **ARTICLE 5**, including without limitation **Sections 5.10** and **5.19** hereof. All Persons performing such work shall use reasonable efforts to minimize interference with the Lot Owners' use and enjoyment of the Lot when performing such work.

## **ARTICLE 6. COVENANT ENFORCEMENT COMMITTEE**

6.1. Committee. The Metropolitan Districts, or as may be delegated, the Operating District, may establish a CEC for the Property and the Superior Town Center Property and, in such event, the members of the CEC shall be appointed by the governing board of the respective Metropolitan District(s). For purposes of this Declaration, in the event a CEC does not exist, all references to "CEC" shall be deemed to be a reference to one or more of the Metropolitan Districts. The CEC shall be responsible for the ministerial administration and enforcement of the Restrictions, and shall have the right to: (a) accept complaints for violations of the Restrictions; (b) submit complaints regarding violations of the Restrictions; (c) inspect the Property for violations of the Restrictions; (d) issue various notices to Owners regarding the Restrictions; and (e) provide all ministerial administration and enforcement of the Restrictions as permitted by this Declaration. Notwithstanding anything to the contrary herein, at all times a member of the responsible Metropolitan District's governing board shall be appointed as the "Chairman" of the CEC.

6.2. CEC Membership and Organization. The CEC shall be composed of not less than one (1) nor more than five (5) Persons and shall consist be the same CEC as established for the Superior Town Center Property. Subject to **Section 6.1**, all members of the CEC shall be appointed, removed and replaced by the Metropolitan District(s), in its sole discretion.

6.3. Purpose and General Authority. The CEC shall review all complaints and notifications provided by the Declarant, an Owner, the Finance Districts or the Operating District, or a Neighborhood Association regarding any alleged Violation; provided however, that the CEC shall have no authority over any Commercial Sites, Office Sites, the Private Recreational Facility or Civic Space unless such authority is specifically granted in the Supplemental Declaration relating to such Commercial Site, Office Site, Private Recreational Facility or Civic Space, or is specifically set forth herein. The CEC also shall have the right to make an investigation on its own regarding potential Violations. In accordance with the procedures set forth in **Section 6.5** below, the CEC shall have the authority to determine whether a Violation has occurred by any Owner, and upon such determination, may issue to an Owner a Notice of Violation identifying the particular circumstances or conditions of the Violation and requiring the Owner to take such action as may be necessary to correct, remedy or otherwise remove the Violation, including the time period in which the Violation is to be remedied.

6.4. Fees and Expenses. All expenses of the CEC shall be paid by the Metropolitan District(s) with revenues derived from that portion of the Property and the Superior Town Center Property with respect to which the CEC's services are required or performed. The Metropolitan District(s) shall have the right to charge fees for inspections and Fines for costs of enforcement of the Restrictions and the costs incurred to correct, remedy or otherwise remedy Violations from the subject Owner, in amounts which may be established by the CEC from time to time, and such fees and Fines shall be collected by the Metropolitan District(s) and can be used to help defray the expenses of the CEC's operation. The Metropolitan District(s) or the private management company hired by the Metropolitan District(s) shall provide the CEC with staff for the recording of committee meeting minutes and assistance with other administrative needs, at the Metropolitan District(s)'s cost and expense, as it deems reasonably necessary from time to time.

6.5. General Inspections; Violation Identified by Another Owner; Notice and Hearing; Procedures and Remedies.

(a) General Inspection. Any member or authorized agent or consultant of the CEC, or any authorized officer, director, employee or agent of the responsible Metropolitan District may enter upon any Lot at any reasonable time after notice to the Owner, without being deemed guilty of trespass, in order to investigate or inspect any portion of the Property for alleged violations of the Restrictions.

(b) Notice of Violation. Where such investigation or inspection reveals that any part or portion of a Lot is not in compliance with the Restrictions, the CEC may send a Notice of Violation to the Owners of such Lot. The Notice of Violation shall be sent via certified mail/return receipt requested and shall identify the particular circumstances or conditions of the Lot that fail to conform to the Restrictions. The Notice of Violation sent pursuant to this **Section 6.5** shall also contain the date, time, and place of a hearing to be held by the CEC for the purpose of evaluating the Lot's conformance with such Restrictions and to consider the issuance of a finding of Violation. Any Notice of Violation sent pursuant to this **Section 6.5** shall also be sent via first class U.S. mail addressed to "Occupant" at the address of the alleged nonconforming Lot, which is subject to the Declaration and for which the Notice of Violation is issued, as well as a copy to any Owner notifying the CEC of any alleged violation of the Restrictions in accordance with subsection (c) below. All Notices of Violation shall be sent no less than fifteen (15) days prior to the date of the hearing.

(c) Violations Identified by Another Owner. If an Owner alleges that another Owner is in violation of **ARTICLE 7** or otherwise is not in compliance with any Restrictions, the complaining Owner must first submit written notice to the CEC of the alleged Violation, and the CEC may investigate such allegation and may then send a Notice of Violation to the alleged noncompliant Owner in accordance with subsection (b) above. A hearing must be held by the CEC before the complaining Owner may resort to legal or other action for relief.

(d) Procedure for Hearing. On the date and time of the hearing specified in any Notice of Violation, the CEC shall hear and consider information and evidence presented by any Owners or other interested parties regarding the conformance of the subject Lot

with the Restrictions. The hearing shall be conducted in accordance with any rules and procedures promulgated by the CEC. Not more than five (5) business days following the hearing, the CEC shall either: (i) make a finding that the Lot is in compliance with the Restrictions; (ii) make a finding that the Lot is in Violation of the Restrictions; or (iii) continue the hearing to a date certain for the purpose of obtaining additional information regarding the alleged Violation. The decision of the CEC shall be final. Where the Lot is determined to be in Violation of the Restrictions, the CEC shall issue a written finding of Violation, which shall include the time period, not to exceed forty-five (45) days, in which the Violation is to be corrected, remedied or otherwise removed. Any Owner who is found to be in violation of the Restrictions shall correct, remedy, or otherwise remove the Violation within the time period specified in the Notice of Violation. If the Owner does not comply within the specified time period, the CEC may, at its option, pursue those remedies specified in subsection (e) below. Notwithstanding anything to the contrary contained herein, at any time prior to the CEC's final determination of Violation, an Owner may notify the CEC in writing that any Violation has been corrected, remedied or removed. Following inspection of the Lot by the CEC and confirmation that the Lot is in compliance, the CEC may suspend or dismiss all actions to enforce its remedies.

(e) Remedies. If an Owner fails to remedy the Violation within the time period specified in the Notice of Violation, the CEC shall have all remedies available to it at law or in equity, including without limitation the following remedies.

(i) The CEC may Record a Notice of Violation against the Lot on which the Violation exists;

(ii) The CEC shall have the right to remove, correct or otherwise remedy any Violation in any manner the CEC deems appropriate, which may include adding an Improvement to the Lot, removing an Improvement in Violation or obtaining an injunction prohibiting a restricted use of the Lot;

(iii) The CEC may file an action for injunctive relief to cause an existing violation to be brought into compliance with the Declaration, the Guidelines and/or any Rules and Regulations and the CEC shall be entitled to recover all costs and attorney's fees associated with bringing the action.

(iv) The CEC may levy reasonable Fines for such Violation.

(v) The CEC shall be entitled to collect and shall have a lien against the Lot subject to the Violation to secure (1) payment for reimbursement by the violating Owner for any remedial work performed by the CEC or a Metropolitan District required to remove, correct or otherwise remedy the Violation; (2) payment for expenses incurred in obtaining injunctive relief, including costs and attorney's fees, plus the following amounts, to the extent not inconsistent with Applicable Laws: (3) interest on such amount from the due date indicated in the invoice at a rate equal to two percent (2%) over the prime rate of interest quoted at such time in the Wall Street Journal; (4) an additional charge on such amount equal to four

percent (4%) of the amount due; and (5) all costs and expenses of collecting the unpaid amount, including reasonable attorneys' fees.

(vi) Deemed Nuisances. Every Violation is hereby declared to be and to constitute a nuisance, and every remedy allowed for such Violation at law, in equity or under the Restrictions against the violating Owner shall be applicable.

(vii) Rights of the Metropolitan Districts. The rights of the Metropolitan District(s) acting through the CEC to remove, correct or otherwise remedy any Violation shall be in addition to all other rights and remedies which the Metropolitan Districts may have at law, in equity or under the Restrictions.

(viii) Access Easement. Each Lot is subject to an easement in favor of the CEC and the Metropolitan Districts, including their respective members, employees, agents and representatives, for the performance of any actions contemplated by this **ARTICLE 6**, including, without limitation, **Section 6.5**. All Persons performing such work shall use reasonable efforts to minimize interference with the Lot Owner's use and enjoyment of the Lot when performing such work.

## **ARTICLE 7. USE RESTRICTIONS.**

7.1. Applicability; General Restriction. The Restrictions set forth in this **ARTICLE 7** shall only govern those portions of the Property that have been zoned as Residential or designated as a Residential Site in this Declaration, or in any Supplemental Declaration subjecting such property to this Declaration, unless the Restriction is specifically made applicable to other property within the Property. Residential Sites shall be used only for the purposes set forth in this Declaration, as permitted by the Applicable Laws, and as set forth in this Declaration or other specific Recorded covenants, conditions or restrictions affecting all or any part of the Property. No Residence shall be occupied for living or sleeping purposes by more persons than it was designed to accommodate safely, but in no event shall the maximum number of occupants in a Residence exceed the maximum number permitted under Applicable Law.

7.2. Residential Use of Lots. Subject to the provisions of **Sections 7.3** and **9.1(d)**, each Residential Site, after construction, shall only be used as a Residence and for appurtenant uses which are customarily incident thereto. No business or commercial use or other non-residential use may be conducted on any part of a Residential Site, except as provided in **Sections 7.3** and **ARTICLE 9**.

7.3. Home Occupations. The conduct of a home occupation within a Residence shall be considered accessory to the Residential Use and shall not be deemed a Violation of this Declaration, provided that the following requirements are met:

- (i) Such home occupation shall be conducted only within the interior of the Residence and shall be clearly secondary to the Residential Use.
- (ii) The home occupation shall be conducted only by residents of the Residence and no non-residents shall be employed in connection with the home occupation carried on in the Residence.

(iii) The home occupation does not result in undue volume of traffic or parking at or near the Residence.

(iv) There shall be no evidence of a home occupation detectable from the outside of the Residence by sight, sound, smell or otherwise.

(v) The conduct of such home occupation must be permitted under the zoning ordinances of the Town and all other Applicable Laws.

(vi) No commercial deliveries for such home occupation shall be allowed other than occasional mail service deliveries.

A child daycare facility within a Residence does not comply with the above requirements, but may nevertheless be allowed in limited circumstances if a variance for such use is considered advisable by the CEC (as determined in its sole discretion), and if such variance is granted in writing by the CEC and is otherwise allowed under Applicable Laws.

7.4. Damage or Destruction. In the event any Residence or other Improvement constructed on a Residential Site is damaged, either in whole or in part, by fire or other casualty, such Residence or other Improvement shall be promptly rebuilt, repaired or remodeled to comply with this Declaration. In the alternative, if a damaged Residence or other Improvement is not to be rebuilt, repaired or remodeled, all remaining portions of the damaged Residence or Improvement, including the foundation and all debris, shall be promptly removed from the Lot, and the Lot shall be restored to its natural condition existing prior to the construction of the Residence or other Improvement. The DRC shall not unreasonably delay or withhold approval of rebuilding of the Residence or other Improvement.

7.5. Vehicular Parking, Storage and Repairs.

(a) Parking. Except as otherwise set forth in any Rules and Regulations, vehicles shall be parked only in the garages or the driveways, if any, serving the Residential Sites, or in appropriate spaces or areas which may be designated by the Metropolitan District(s) from time to time, except that any vehicle may be otherwise parked on a temporary basis for loading, delivery, emergency, or for guests of an Owner at the Residence on a temporary basis. The Declarant or Metropolitan District(s) may designate certain parking areas for visitors or guests and adopt reasonable rules and regulations, from time to time, governing such areas. The parking spaces or parking garages shown on the Final Development Plan shall not be removed, altered or otherwise modified. Except as otherwise set forth in the Rules and Regulations, commercial vehicles, vehicles with commercial writing on their exteriors, vehicles primarily used or designed for commercial purposes, tractors, mobile homes, recreational vehicles, trailers (either with or without wheels), campers, camper trailers, boats and other watercraft, recreational vehicles, golf carts and boat trailers, shall be parked only in enclosed garages or specific areas, if any, which may be designated by the Metropolitan District(s) from time to time. This restriction, however, shall not restrict trucks or commercial vehicles which are necessary for construction or for the maintenance of any portion of the Property or any Improvements located thereon, nor shall such restriction prohibit vehicles (including, without limitation,

emergency vehicles driven by an on or off duty employee of the entity providing emergency services) that may be otherwise parked on a temporary basis for loading, delivery, emergency or, in the case of emergency vehicles, for any other lawful purpose.

(b) Storage. Stored vehicles and vehicles which are inoperable or do not have current operating licenses shall not be permitted on a Residential Site or upon a street adjacent to a Residential Site except within enclosed garages on Residential Sites having two or more garage spaces. For purposes of this **Section 7**, a vehicle shall be considered "stored" if, for example, it is up on blocks or covered with a tarpaulin and remains on blocks or so covered for seventy-two (72) consecutive hours without the prior approval of the CEC. Garages attached to Residential Sites are intended, at all times, for vehicle parking not general storage. An Owner of a Residential Site shall not be permitted to park a vehicle on a public or private street as an alternative to parking in the Owner's garage. Vehicles parked in violation of this Article may be subject to CEC enforcement.

(c) Repair Work. No activity such as, but not limited to, maintenance (other than washing and polishing and activities normally incident thereto), repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicles, trailers, or boats, may be performed on any Residential Site unless it is done within a fully enclosed garage or other building which screens the sight and sound of the activity from the street and from adjoining Residences, nor shall any such activity be performed upon a street adjacent to a Residential Site.

(d) Private Recreational Facility Events. In the instance that more than 401 parking spaces are required for an event scheduled at the Private Recreational Facility, then at least five (5) business days prior to the event, the Owner or operator of the facility shall submit to the CEC a parking plan which shall include: (i) a description of the event, (ii) the expected attendance, (iii) the parking spaces estimated to be required, (iv) the location of the additional parking spaces to be utilized (beyond those spaces allocated to the Private Recreational Facility), and (v) the transportation plan to be utilized to shuttle guests between the facility and the designated parking areas. The CEC may, but shall not be required to, address and/or facilitate parking for the event.

(e) Violations. In the event the CEC or the Metropolitan District(s) shall determine that a vehicle is being parked, stored or repaired in violation of **Subsections 7.5(a), (b) or (c)** hereof, then a written notice describing such infraction shall be personally delivered to the owner thereof (if such owner can be reasonably ascertained) or shall be conspicuously placed upon the vehicle (if the owner thereof cannot be reasonably ascertained) and if the vehicle is not removed within a reasonable time thereafter, as determined by the CEC or the Metropolitan District(s) in its discretion from time to time, the Metropolitan District(s) shall have the right to remove the vehicle at the sole expense of the owner thereof.

7.6. Pets. No animals, including, but not limited to, livestock, poultry, or reptiles shall be raised, bred, or kept within a Residential Site except as hereinafter provided. A reasonable number of cats, dogs, birds or other common household pets may be kept on a Residential Site, provided that (a) they are not kept, bred, or maintained for any commercial purposes; (b) in the CEC's reasonable opinion, they do not make objectionable noises or otherwise constitute an unreasonable nuisance to other Owners; (c) they are kept within an enclosed yard on a Residential Site occupied by the owner of such pets or on a leash being held by a person capable of controlling the animal; (d) the Owner of the Residential Site properly disposes of all pet waste; (e) the Owner shall be financially responsible and liable for any damage caused by such pets; and (f) they are not in violation of any other provision of the Restrictions or any Applicable Laws. A "reasonable number" as used in this Section 7.6 shall mean not more than four (4) pets consisting of not more than two (2) dogs, not more than two (2) cats, or any combination of other common household pets (for a total of four (4) pets) per Residential Site; provided, however, that the CEC or a Neighborhood Association in a Supplemental Declaration may, from time to time, determine that a reasonable number in any instance may be more or less than the above number. The CEC shall have the right to prohibit any animal which, in the reasonable opinion of the CEC, is not being kept in accordance with the restrictions contained herein. The CEC may adopt and enforce additional rules and regulations governing the subject of pets within the Property.

7.7. Nuisance and Waste. No noxious or offensive activity shall be permitted in or on any Residential Site nor shall anything be done therein which may be or become an annoyance, disturbance or nuisance to any Owner. No waste shall be committed on any Residential Site.

7.8. Violation of Law. Nothing shall be done or kept in or on any Residential Site or any portion of the Property which would be in violation of any Applicable Laws.

7.9. Annoying Light, Sound or Odors. No light shall be emitted from any Residential Site which is unreasonably bright or causes unreasonable glare; no sound shall be emitted on any Residential Site which is unreasonably loud or annoying; and no odor shall be emitted on any Residential Site which is noxious or offensive.

7.10. Unsightliness. No unsightly conditions, structures, facilities, equipment or objects shall be permitted to remain on any Residential Site if they are visible from adjoining property or public or private thoroughfares. Without limiting the generality of the foregoing, service areas, storage areas and compost piles shall be appropriately screened from view and no clotheslines shall be permitted on any Residential Site. No lumber, grass or plant waste, shrub or tree clippings, metals, bulk materials, scrap, refuse or trash shall be kept, stored or allowed to accumulate on any Residential Site except within an enclosed structure or appropriately screened from view.

7.11. Trash Disposal. No trash, garbage, refuse, rubbish, or cuttings shall be deposited on any street, or on any Residential Site unless placed in a container suitably located, solely for the purpose of garbage pickup and screened from view. All equipment for the storage or disposal of such materials shall be kept in clean and sanitary condition. Lot Owners agree that the Metropolitan District(s) will provide, or will contract for the provision of, trash disposal services and Lot Owners will not enter into private contracts for trash disposal services. It is currently anticipated that the Metropolitan District(s) shall contract for trash collection by one or more trash collection companies based upon competitive bids. In order to minimize unsightliness, the Metropolitan District(s) shall have the right to restrict the placement of trash receptacles outside for collection on any day other than the actual day for trash collection.

7.12. Restrictions on Temporary Structures. Except as hereinafter provided, no structure of a temporary character, including, but not limited to, a house trailer, tent, shack, storage shed, or outbuilding shall be placed or erected upon any Residential Site; provided, however, that during the actual, continuous construction, alteration, repair or remodeling of any Improvements, necessary temporary structures for storage of materials may be erected and maintained by the Person doing such work. No camper, tent, trailer, motorhome, mobile home or other temporary structure shall be used as a Residence or other living quarters within the Property.

7.13. Restrictions on Signs. Except as expressly permitted by Applicable Law, no signs or flags shall be displayed to the public view on any Residential Site without the prior written approval of the CEC, with the following exceptions: (a) the Declarant may erect and maintain a sign or signs in connection with the construction, development, operation, promotion and sale of the Lots; (b) the patriotic display of flags not exceeding 4' x 6' in size shall be permitted on Memorial Day, Fourth of July and other appropriate holidays; and (c) signs of customary dimensions, not exceeding 3' x 4' in size, advertising a Lot or portion thereof as "For Sale" or "For Rent"; provided, however, that any "For Sale" or "For Rent" sign must comply with the Guidelines and any Owner must obtain DRC approval before displaying such a sign on a Lot. Notwithstanding anything herein contained to the contrary, any and all signs, if allowed, shall comply with all sign standards of the applicable governmental authorities which may be applicable to the Property, as well as the Restrictions.

7.14. Restrictions on Antennas, Pipes, Utility Lines and Transmitters. Pipes for water, gas, sewer, drainage, or other purposes for a Residential Site, and wires, poles, aerials, antennas, satellite dishes, and other facilities for the Telecommunication Facilities or electricity, and utility meters or other utility facilities for a site shall be kept and maintained, to the extent possible, underground or within an enclosed structure. Any Telecommunication Facility for the transmission or reception of audio, data or video signals (except those located entirely inside a structure) shall first be approved by the DRC. The DRC shall act on applications for approval of satellite dishes and antennas in accordance with the requirements of the Federal Telecommunications Act of 1996, and any applicable regulations adopted pursuant thereto, as such statute and regulations may be amended from time to time. No wind-powered electrical generators shall be permitted.

7.15. Restrictions on Storage Tanks. No tanks for the storage of gas, fuel, oil, or other materials shall be erected, placed or permitted above or below the surface of any Residential Site (other than reasonably sized propane tanks intended for use with gas grills and fire pits, but only if and as specifically allowed in the Rules and Regulations).

7.16. Restrictions on Sewage Disposal Systems. No cesspool, septic tank or other sewage disposal system shall be installed on a Residential Site without the prior written consent of the Town and the DRC, except a central sewage disposal system installed and maintained by a water and sanitation district or other sanitation agency providing sewage disposal services to a significant portion of the Property. Any sewage disposal system shall be subject to all Applicable Laws and the Rules and Regulations of the Metropolitan Districts.

7.17. Restrictions on Water Systems. No individual water supply or water softener system shall be installed or maintained unless such system is approved in writing by the Town and the DRC, and is constructed, designed, equipped, and located in accordance with all Applicable Laws and the recommendations, requirements and standards of the Town and the Metropolitan Districts.

7.18. Restrictions on Cooling and Heating Systems. No types of refrigerating, cooling or heating apparatus shall be permitted on the roof or in any window of any Residence unless such system is approved in writing by the DRC. Further, no such apparatus shall be permitted elsewhere on a Lot except when appropriately screened and approved by the DRC. Without limiting the foregoing, conventional air conditioning units located on the ground of a Residential Site are permissible when approved in accordance with the preceding sentence.

7.19. Insurance Risks. No Residential Site may be used for any use which would constitute an unusual fire hazard, would result in jeopardizing any insurance maintained on other Residential Sites within or on any other portion of the Property or would result in any increase in the premium for any such insurance; provided, however, that the DRC may approve the use if adequate safeguards are undertaken at the applicable Owner's expense and any increase in insurance premiums is allocated to, and paid by, the applicable Owner. This **Section 7.19** shall not be construed as prohibiting the normal use of barbecue grills on outdoor terraces or patios, subject to reasonable regulation by the Metropolitan Districts pursuant to the Rules.

7.20. Hazardous Activities/Fires. No activities shall be conducted which are or might be unsafe or hazardous to any Person or property. Without limiting the generality of the foregoing, no firearms shall be discharged, no exploding fireworks shall be set off and no open fires shall be lighted or permitted except in a contained barbecue unit, indoor or outdoor fireplace or fire pit which is attended. Trash, leaves, and other similar materials shall not be burned.

7.21. Mining or Drilling. No Residential Site within the Property shall be used for the purpose of mining, quarrying, drilling, boring, or exploring for or removing oil, gas, or other hydrocarbons, minerals, rocks, stones, gravel or earth.

7.22. Storage of Explosives, Gasoline, and Similar Substances. No Residential Site shall be used for storage of explosives, gasoline or other volatile or incendiary materials or devices. Gasoline or fuel for a lawn mower, snow blower, camp stove and the like may be maintained on an incidental basis on a Residential Site if the amount so kept does not exceed five (5) gallons and is kept in UL approved containers. Gasoline or other volatile or incendiary materials or devices shall be stored only in a manner that strictly complies with all Applicable Laws.

7.23. Restriction on Further Subdivision. No Residential Site shall be further subdivided or separated into smaller Lots by any Owner unless such subdivision is consistent with the Property Documents, and no portion consisting of less than all of any such Lot, nor any easement or other interest herein, shall be conveyed or transferred by an Owner, provided that this shall not prohibit deeds of correction, deeds to resolve boundary line disputes, and similar non-material corrective instruments.

7.24. Leases. Subject to **Section 7.3**, the Owner of a Residential Site shall have the right to lease such Owner's Residence, subject to the following conditions:

(a) All leases shall be in writing and shall be for a term of not less than six (6) months, unless otherwise excepted by the CEC upon application by a Residential Site Owner.

(b) The lease and each tenant and his, her or their family members (collectively, "tenant") occupying the Residence shall be specifically subject to this Declaration. Any failure of a tenant to comply with such documents shall be a default under the lease.

(c) The Owner and the tenant shall be jointly and severally liable for any violation of the Restrictions committed by the Owner's tenant(s), without prejudice to the Owner's right to collect any sums paid by the Owner on behalf of the tenant(s).

7.25. Rules and Regulations. Rules and Regulations concerning and governing the use of the Property and the Superior Town Center Property, or any portion thereof, may be adopted, amended or repealed from time to time by the CEC and/or the Metropolitan Districts. Such Rules and Regulations may address matters not appearing in this Declaration as well as matters appearing in this Declaration, provided that the Rules and Regulations shall not contradict the provisions of this Declaration. The CEC or the Metropolitan District(s) may establish and enforce penalties for the infraction of such Rules and Regulations including, without limitation, the levying and collecting of Fines.

7.26. Violation of Restrictions. If any Owner or his or her respective family, guests, licensees, lessees, tenants, invitees, agents or employees is in Violation of the Restrictions set forth in this **ARTICLE 7**, then in addition to any enforcement and remedies described in **Section 6.5**, the CEC may invoke any one or more of the following remedies, in accordance with the procedure set forth in **Section 6.5**: (a) levy Fines upon such Owner for each Violation; (b) cause the Violation to be cured and charge the cost thereof to such Owner; and (c) obtain injunctive relief against the continuance of such Violation. ## ARTICLE 8. DRAINAGE AND SOILS CONDITIONS

8.1. Acknowledgment. The soils within Colorado consist of both expansive soils and low density soils, which may adversely affect the integrity of a Residence or other Improvement (residential, commercial or industrial) if the Residence, the other Improvement and the Lot on which they are constructed are not properly maintained. Expansive soils contain clay minerals which have the characteristic of changing volume with the addition or subtraction of moisture, thereby resulting in swelling and/or shrinking soils. The addition of moisture to low-density soils causes a realignment of soil grains, thereby resulting in consolidation and/or collapse of the soils.

8.2. Disclaimer. The Declarant, the Operating District, any Metropolitan District, the DRC and the CEC, and their respective officers, directors, managers, members and shareholders shall not be liable for any loss or damage to any Residence or other Improvement (residential, commercial or industrial) or to any Person, caused by, resulting from, or in any way connected with soil conditions on any Lot, including, by example and not limitation, expansive soils. Owners should carefully consider the risk of planting any vegetation within five (5) feet of the Residences or other Improvement, as watering of this vegetation could result in loss or damage to a Residence or other Improvement due to expansive or low-density soil.

8.3. Moisture. Each Owner of a Lot shall use his or her best efforts to assure that the moisture content of those soils supporting the foundation and the concrete slabs forming a part of the Residence or other Improvements constructed thereon remain stable and shall not introduce excessive water into the soils surrounding the Residence and other Improvements.

8.4. Grading. Each Owner of a Lot shall maintain and shall not disturb the elevation, grading and drainage patterns of the Residential Site as originally constructed by Declarant or a Builder.

8.5. Water Flow. The Owner of a Lot shall not impede or hinder in any way the water falling on or passing through the Lot from reaching the drainage courses established for the Lot and the Property.

8.6. Actions by Owners. By accepting title to a Lot, each Owner covenants and agrees:

(a) Not to install any Improvements which will change the grading of the Lot without first obtaining DRC approval.

(b) To fill with additional soil any back-filled areas adjacent to the foundation of a Residence or any other Improvement and in or about the utility trenches on the Lot in which settling occurs to the extent necessary from time to time to maintain the grading and drainage patterns of the Lot.

(c) Not to water the lawn or other landscaping on the Lot excessively.

(d) Not to plant turf grass, flower beds (especially annuals) or vegetable gardens adjacent to or within five (5) feet of the foundation and slabs of a Residence or any other structure.

(e) To minimize the installation of piping and heads for sprinkler systems within five (5) feet of foundation walls and slabs. Sprinkler systems shall be subject to DRC review and may be located or limited in the discretion of the DRC.

(f) To install any gravel beds in a manner which will assure that water will not pond in the gravel areas, whether due to non-perforated edging or due to installation of the base of the gravel bed at a level lower than the adjacent lawn, or otherwise.

(g) Not to install a moisture barrier (such as polyethylene) under any gravel.

(h) To maintain all gutters and downspouts which discharge water into extensions or splash blocks by assuring that (i) the gutters and downspouts remain in the down position and are free and clear of all obstructions and debris; (ii) the water flow from the extension or the splash block is allowed to flow rapidly away from the foundation and/or slabs; and (iii) that splash blocks are maintained under outdoor faucets.

(i) To re-caulk construction joints opening up between portions of the exterior slabs and garage slabs to seal out moisture.

(j) Not to alter, obstruct, or obliterate, in any manner, any drainage swales, pans, easements, or channels located or installed, or required to be located or installed, upon the Property pursuant to established drainage plans.

8.7. Radon Gas; Naturally Occurring Radioactive Materials. Elevated levels of naturally occurring radioactive materials or radon gas may be present in or adjacent to some residential and other structures in Colorado. Governmental authorities have voiced concerns about the possible adverse effects on human health from long-term exposure to high levels of radon gas and naturally occurring radioactive materials. Each Owner is responsible to conduct such Owner's own investigation and consult with such experts as such Owner deems appropriate with respect to the presence or absence of radon gas or naturally occurring radioactive materials in the soil on that Owner's Lot. Furthermore, each Owner shall be solely responsible for the mitigation of any radon gas or naturally occurring radioactive materials on such Owner's Lot. The Declarant, the Operating District, any Metropolitan District, the DRC and the CEC, and their respective officers, directors, members, managers and shareholders, and the Builder of the initial Residence on a Residential Site shall not be liable for the existence of radon gas or naturally occurring radioactive materials in any Residence or other Improvement, or elsewhere on the Property, for any loss or damage to any Residence or other Improvement on the Property, or for any injury to any Person caused by or resulting from or in any way connected with the existence of radon gas or naturally occurring radioactive materials on the Property.

## **ARTICLE 10. RESERVATION OF DEVELOPMENT RIGHTS.**

10.1. Development Rights. During the Development Period, the Declarant reserves the following rights (the "Development Rights"):

(a) Expansion Rights. The Declarant reserves the right (but is not required) to subject additional real property to the terms, conditions and restrictions of this Declaration in accordance with **ARTICLE 2** above. Furthermore, the Declarant reserves the right to subject all or any portion of any such additional real property to such other covenants, conditions and restrictions as the Declarant deems appropriate by Recording a Supplemental Declaration with respect thereto; provided, however that no such other covenants, conditions and restrictions may amend or be in conflict with this Declaration, unless approved as an amendment to this Declaration or where approval is not required. executed by the Declarant in accordance with the provisions hereof. The Declarant hereby reserves for itself a blanket easement upon, across, over and under the Property, specifically including the Lots, Tracts and the Metropolitan District Property, for Utilities and the installation, use, replacement, repair and maintenance of Utilities, including, but not limited to, water, sewer, gas, telephone, electricity, renewable energy/energy efficiency, computer cable, and master television antenna or cable or satellite television systems, if any. By virtue of this blanket easement, it shall be expressly permissible to erect, use and maintain the necessary facilities, equipment and appurtenances on the Property, specifically including the Lots, Tracts, and the Metropolitan District Property, and to affix, use, repair and maintain water and sewer pipes, gas, electric, telephone, renewable energy/energy efficiency, computer and television wires, cables, circuits, conduits and meters. In the event any utility or quasi-utility company furnishing a service covered by the general easement created herein requests a specific easement by separate recordable document, the Declarant reserves and is hereby given the absolute right and authority to grant such easement upon, across, over or under any part or all of the Property, specifically including the Lots, Tracts and the Metropolitan District Property; provided, however, that such right and authority of the Declarant shall automatically cease at such time as the Special Declarant Rights terminate as provided in **ARTICLE 9** of this Declaration, at which time such reserved rights shall vest in one or more of the Districts. The easement provided for in this **Section 10.3** shall in no way void, extinguish or modify any other Recorded easement(s) on the Property, specifically including the Lots, Tracts and the Metropolitan District Property.

10.4. Drainage Easement. The Declarant hereby reserves to itself and to the Metropolitan Districts easements for drainage or drainage facilities across the ten (10) rear and ten (10) side feet of each Lot and, if necessary, an easement across each Lot in order for Declarant to access such drainage easement areas; provided, however, that such easement shall not be reserved over any of the areas described in this sentence if and to the extent a Residence is located upon any such areas, which was previously approved by the Declarant or by the DRC. Except for Residences as provided in the preceding sentence, no Improvements shall be placed or permitted to remain on any Lot, nor shall any change in grading be permitted to exist which may change the direction of flow or obstruct or retard the flow of water through channels or swales within such rear and side yard drainage easements. The Declarant reserves to itself and to the Metropolitan Districts the right to enter in and upon each ten (10) foot rear and side yard drainage easement at any time to construct, repair, replace or change drainage structures or to perform such grading, draining or corrective work as the Declarant or the Metropolitan Districts may deem necessary or desirable in their sole discretion from time to time; provided, however, that such right and authority in the Declarant shall automatically cease at such time as the Special Declarant Rights terminate as provided in **ARTICLE 9** of this Declaration, at which time such reserved right shall vest solely in one or more of the Metropolitan Districts.

11.3. Destruction by Fire or Other Casualty. If a Party Wall is destroyed or damaged by fire or other casualty, any Owner whose Lot abuts the Party Wall may restore it, and the Owner of the other Lot(s) abutting the Party Wall shall contribute equally to the cost of restoration thereof, subject, however, to the right of any such Owners to call for a larger contribution from the other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

Within ten (10) days after the occurrence of such damage, the Owner causing such damage shall commence to repair or reconstruct the damaged Party Wall to its original condition and shall diligently complete all such repairs and reconstruction. If such Owner shall fail to do so, then the Owner of the Lot abutting such Party Wall may do so at the sole cost and expense of the Owner causing such damage.

limitation, maintenance, repair, or replacement pursuant to **ARTICLE 4** hereof. If damage is inflicted on a Tract, any Lot or any other property, then (a) the Owner or Owners responsible for such damage will be responsible for the cost and expense of repairing or avoiding such damage, and (b) the Metropolitan District(s) may, at its option, take steps necessary to avoid or mitigate damage and, if an Owner or Owners are responsible for such damage, then such Owner or Owners will reimburse the Metropolitan District for the cost and expense of avoiding or repairing such damage. Further, the rights to access Easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owner or Owners or occupant or occupants of any affected Lot; provided, however, that no such notice shall be required in connection with any exterior, non-intrusive maintenance and in emergency situations entry upon a Lot may be made at any time, provided that the Owner or Owners or occupant or occupants of each affected Lot shall be warned of impending emergency entry as early as is reasonably possible. The interior of any Residence located on a Lot shall not be subject to the Easements provided for in this Section.

12.3. Retention Ponds and Detention Ponds. In furtherance of developing the Property, retention ponds and/or detention ponds may be constructed within the Metropolitan District Property to hold and release storm water in accordance with storm water drainage plan(s) that have been or will be approved by the Town. The Metropolitan District(s) will be responsible for maintaining any retention ponds or detention ponds within the Property. With the presence of retention pond(s) or detention pond(s), there may be surface water that accumulates within the area of such ponds, and there may be periods of time when the area immediately surrounding a retention pond or detention pond is subject to flooding. Additionally, there are certain risks and dangers of physical injury and property damage inherent in the physical configuration of a retention pond and a detention pond, and the location of such a pond relative to the Property. Neither the Metropolitan District(s) nor the Declarant, its officers, directors or shareholders, shall be liable for any injury, loss or damage arising from such flooding or otherwise arising from the proximity of any retention ponds or detention ponds to the Property.

the use or occupancy of a Residence or other Improvement within the Property, as applicable, is hereby deemed to have assumed and agreed to accept the Civic Space Risks.

(c) Release by Owner of Claims Relating to Risks. Each Owner agrees that, by acceptance of a deed to a Lot within the Property, and each family member, guest, invitee or tenant of an Owner, by use or occupancy of a Residence or other Improvement within the Property hereby (i) discharges and releases the Declarant, the Metropolitan Districts and their Boards of Directors, the DRC and the CEC, the Town, the County, any Builder; any neighborhood association, any party operating the Civic Space, as a concessionaire or otherwise, and their respective parents, subsidiaries, and affiliated entities and their agents, directors, employees, members, managers, officers, partners, and shareholders, and their respective heirs, successors, and assigns (the "Benefited Parties") from all Claims (as that term is hereinafter defined) and (ii) waives all Claims against the Benefited Parties. The foregoing discharge, release, and waiver are made by each Owner and each family member, guest, invitee or tenant of an Owner to the fullest extent permitted by the law and for and on behalf of itself, its assigns, executors, heirs, guests, invitees, lessees, personal representatives, representatives, and successors, and for any person using or occupying any Residence or other Improvement within the Property, through, under, or with the permission of each Owner and each family member, guest, invitee or tenant of an Owner. As used in this **Section 12.4(e)** and in **Section 12.4(d)** hereof, the term "Claims" means any and all causes of action, claims, costs, damages, expenses, liabilities, and other claims arising directly or indirectly from or otherwise in connection with the Civic Space and the Civic Space Risks, whether or not caused by the negligent conduct of the Benefited Parties (including, without limitation, the negligent design, development, construction, operation, or use of the Civic Space).

(d) Covenant Not to Sue. Each Owner, by acceptance of a Lot, and each family member, guest, invitee or tenant of an Owner, by the use or occupancy of a Residence or other Improvement within the Property, hereby further agrees that it will not assert, institute, maintain, or prosecute any proceeding (as that term is hereinafter defined) against the Benefited Parties, or any of them, for or on account of any Claim. As used herein, the term "proceeding" means any action, civil action, suit at law, claim in equity, arbitration, or other proceeding against the Benefited Parties or any of them.

By virtue of the Telecommunication Facilities and Utilities Easement, it shall be expressly permissible for the Declarant and its respective assignees or designees to (i) erect and maintain the necessary appurtenances, equipment, lines, and other facilities on the Property that are needed for Telecommunication Facilities and Utilities, and (ii) affix, maintain, repair, and replace the necessary appurtenances,

(b) Reserved Rights. The Declarant declares, establishes, grants, and reserves the right for itself to (i) grant the use of the Telecommunication Facilities and Utilities Easement to contractors, licensees, Builders, providers of Telecommunication Services, and utility companies, together with the respective contractors, designees, licensees, and subcontractors of such parties, (ii) contract with a common provider of one or more Telecommunication Services on such conditions, provisions, and terms (including length of the term over which such Telecommunication Services will be provided, the type of Telecommunication Services to be provided, and the cost of such Telecommunication Services), (iii) receive a marketing fee from providers of Telecommunication Services, and (iv) require Owners in all or a designated part of the Property to use one or more common providers of one or more types of Telecommunication Services. If any provider of Telecommunication Services, utility, or quasi-utility company furnishing Telecommunication Services or Utilities requests a specific easement by separate Recordable document, the Declarant declares, establishes, grants, and reserves the right to grant such easement upon, across, over, or under any part or all of the Property without conflicting with the terms hereof.

12.6. Limitation on Easements. Notwithstanding anything to the contrary contained herein, the Easements (a) shall in no way affect, avoid, extinguish, or modify any other Recorded covenants, easements, limitations, reservations, or restrictions affecting all or part of the Property, (b) may be amended, limited, modified, restricted, or terminated by the Declarant by means of a Recorded instrument, and (c) shall not be interpreted or construed as preventing or including the construction, operation, and use of any structure or use on any Lot which is otherwise permitted by the terms of this Declaration or which is otherwise approved by the Declarant or the Metropolitan District(s).

12.7. Delegation and Termination of Rights. The duties, Easements, responsibilities, and rights that are reserved and granted pursuant to Sections 11.2 through 12.5 hereof may be delegated in whole or in part by the Declarant or the Metropolitan District(s) to an agent or management company that is acting on behalf of the Metropolitan District(s) with respect to all or part of the Property; provided, however, that any such delegation shall not relieve the Metropolitan District(s) of its obligations and rights hereunder. The right and authority of the Declarant pursuant to Sections 12.2, 12.3, 12.5, and 12.7 hereof shall automatically cease upon expiration of the Development Period at which time the foregoing reserved rights shall vest solely in the Metropolitan District(s).

12.8. Recorded Easements. In addition to all easements and rights-of-way of Record at or before Recordation of this Declaration, the Property, and all portions thereof, shall be subject to the Easements shown on any Plat of the Property.

12.9. Acknowledgment of Inconvenience. Each of the Lot Owners has acknowledged and agreed that there are inconveniences which will accompany the construction of this Property and the Superior Town Center Property, including but not limited to construction noise, portable toilets, construction traffic, uncompleted buildings, areas not landscaped, potholes and

construction supplies stored in plain view, and general inconvenience associated with construction sites and related issues. Each Lot Owner, by taking title to any Lot, shall be deemed to have waived any claims associated with the inconveniences, nuisance and hazards associated with such construction.

### **ARTICLE 13. EXEMPTION FOR THE DECLARANT AND BUILDER**

13.1. Exemption. Notwithstanding anything in this Declaration to the contrary, neither the Declarant nor any of the Declarant's activities shall in any way be subject to the control of, or under the jurisdiction of the Metropolitan Districts, the DRC or the CEC (including any Design Guidelines, Rules and Regulations) nor shall the Declarant be required to seek the approval or consent of the Metropolitan Districts, the DRC or the CEC for any construction or other work to be performed by or on behalf of the Declarant in the Property. The Declarant, in its sole discretion, may also exempt any Builder from the provisions of (a) **ARTICLE 5**, as long as Builder has received written design approval under the Guidelines from the Declarant, and (b) **ARTICLE 7**, for activities which the Declarant deems to be incidental to the Builder's development activities, in the Declarant's sole and absolute discretion. This exemption shall terminate upon expiration of the Development Period.

### **ARTICLE 14. MISCELLANEOUS PROVISIONS**

14.1. Enforcement. Enforcement of any provision of this Declaration, the Guidelines, and any Rules and Regulations shall be by appropriate proceedings at law or in equity against those Persons violating or attempting to violate any such provision. Such proceedings may be for the purpose of removing a Violation, restraining or enjoining a future Violation, recovering damages for any Violation, foreclosing a lien, obtaining such other and further relief as may be available, or any combination thereof. Subject to the provisions of this Declaration, such proceedings may be instituted by Declarant, an Owner, the Metropolitan District(s) or its designated committee. In any such proceedings, the prevailing party shall recover the costs and reasonable attorneys' fees incurred by such party in connection with such proceedings, except that the Metropolitan District(s) shall not be liable to reimburse any Lot Owner for attorneys' fees or costs incurred in any suit brought by a Lot Owner to enforce or attempt to enforce this Declaration against another Lot Owner. In addition, the Metropolitan District(s) may levy Fines against a Lot Owner, or such Owner's lessee, due to a violation of the terms of this Declaration. Reasonable notice and the opportunity for a hearing shall be provided to the affected Lot Owner, or such Owner's lessee, before any such Fines are charged. The unpaid Fines shall be added to the taxes and fees charged against the Lot of such Lot Owner by the Operating District or the Finance Districts. The failure to enforce any provision of this Declaration, the Guidelines, or the Rules and Regulations shall not preclude or prevent the enforcement thereof for a further or continued Violation, whether such Violation shall be of the same or of a different provision.

No breach of any of the covenants, conditions and restrictions herein contained, nor the enforcement of any lien provisions herein, shall render invalid a lien of any First Mortgage on any part of the Property, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale, or otherwise.

14.2. Reserved.

14.3. Severability. If any provision or term of this Declaration is invalidated, such invalidity shall not affect the validity of the remainder of this Declaration.

14.4. Duration. The covenants, conditions and restrictions contained in this Declaration shall run with the Property, and, except as otherwise specifically set forth in a Supplemental Declaration pursuant to **Section 2.5**, shall be binding on all Lot Owners, their legal representatives, heirs, successors and assigns, and shall be in effect in perpetuity unless amended or terminated as provided in this Declaration.

14.5. No Right of First Refusal. This Declaration neither contains nor shall be amended to contain any provision creating a "right of first refusal" to the Metropolitan District(s) before a Lot or unit can be sold. Should any such rights nevertheless be created in the future, such rights shall not impair the rights of any holder of a First Mortgage to: (a) foreclose or take title to a Lot or unit pursuant to the remedies provided in the Mortgage, (b) accept a deed (or assignment) in lieu of foreclosure in the event of a default by a Mortgagee, or (c) sell or lease a Lot or Unit acquired by the Mortgagee.

14.6. Amendment. Except as otherwise provided in this Declaration, this Declaration may be amended (by (a) either modifying or deleting any existing provisions, or (b) adding new provisions) or terminated at any time by a written and recorded instrument containing the consents of the then record Owners of at least sixty-seven percent (67%) of the Lots subject to this Declaration together with the approval of fifty-one percent (51%) of the First Mortgagees; provided, however, that at any time that the Declarant owns a Lot or any other real property subject to this Declaration, any amendment to this Declaration shall be strictly conditioned on the Declarant's written consent. Furthermore, to the extent the Property and this Declaration have been submitted to and approved by HUD or any Government Mortgage Agencies (collectively "Agency"), all amendments to this Declaration must have the approval of any of the foregoing entities that have approved the same and have outstanding guaranteed loans secured by Lots within the Property. To the extent that the approval of any Agency or First Mortgagee is required, then, if any Agency or First Mortgagee fails to respond to any written proposal for such approval within thirty (30) days after such Agency or First Mortgagee receives proper notice of the proposal (or such longer time as may be set forth in the notice), such Agency or First Mortgagee shall be deemed to have approved such proposal provided that the notice was delivered to the Agency or First Mortgagee by certified or registered mail, return receipt requested.

14.7. Waiver. No provision in this Declaration is or shall be deemed waived by reason of any failure to enforce the provision, regardless of the number of Violations or breaches which may occur.

14.8. Limited Liability. Neither the Declarant, the Metropolitan Districts, or any officers, directors, shareholders, managers, members, partners, agents or employees of any of the same shall be liable to any party for any action or for any failure to act with respect to any matter in which the action taken or failure to act was in good faith and without malice. Such parties shall be reimbursed by the Metropolitan District(s) for any costs and expenses, including reasonable attorneys' fees, incurred by them with the prior approval of the Metropolitan District(s) (which

approval shall not unreasonably be withheld) as a result of the threatened or pending litigation pertaining to the Property or this Declaration in which they are or may be named as parties.

14.9. Disclaimer Regarding Safety. THE DECLARANT AND THE METROPOLITAN DISTRICTS AND THEIR OFFICERS, DIRECTORS, MANAGERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, HEREBY DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE PROPERTY. BY ACCEPTING A DEED TO PROPERTY WITHIN THE PROPERTY, EACH OWNER ACKNOWLEDGES THAT THE DECLARANT AND THE METROPOLITAN DISTRICTS AND THEIR OFFICERS, DIRECTORS, MANAGERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, ARE ONLY OBLIGATED TO DO THOSE ACTS SPECIFICALLY ENUMERATED IN THE RESTRICTIONS AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE PROPERTY.

14.10. No Representations, Guaranties or Warranties. No representations, guaranties or warranties of any kind, express or implied, shall be deemed to have been given or made by the Declarant, the Metropolitan Districts, or by any of their officers, directors, shareholders, managers, members, partners, agents or employees in connection with any portion of the Property, or any Improvement, its physical condition, structural integrity, freedom from defects, zoning, compliance with Applicable Laws, fitness for intended use, or view, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, or any other matter whatsoever whether similar or dissimilar to the foregoing, unless and except as specifically set forth in writing. The release and waiver set forth in Section 14.11 shall apply to this Section.

14.11. Waiver. By acceptance of a deed to a Lot, each Owner hereby releases, waives and discharges the Declarant and the Metropolitan Districts and their respective officers, directors, managers, members, partners, agents, employees, successors and assigns from all losses, claims, liabilities, costs, expenses and damages arising directly or indirectly from any hazards, disclosures or risks set forth in this Declaration.

14.12. Arbitration of Disputes. All Disputes (as defined below) shall be subject to and be resolved by binding arbitration as follows:

(a) Binding Arbitration. Any action, dispute, claim or controversy between the Declarant and the Metropolitan Districts and the Owners, or any of them, whether sounding in contract, tort or otherwise, and whether or not concerning an individual Lot or other portion of the Property (each a "Dispute" and collectively, whether all or less than all, the "Disputes"), shall be resolved by binding arbitration in accordance with the Colorado Uniform Arbitration Act, C.R.S. § 13-22-201, et seq., as then in effect, by a single arbitrator. The arbitrator's award shall be entered as a final, unappealable judgment in the appropriate court in the county in which the Property is located. In the event of any inconsistency between such rules and the provisions of this Section 14.11, these provisions shall supersede such rules. All statutes of limitation that would otherwise be applicable shall apply to any arbitration proceedings under this Section. The parties shall be entitled to conduct discovery as if the Dispute were pending in a District Court in the State of

Colorado. In any arbitration proceeding subject to these provisions, the arbitrator is specifically empowered to allow discovery and decide pre-hearing motions that are substantially similar to pre-hearing motions to dismiss and motions for summary adjudication. Judgment upon the award rendered may be entered in any court having jurisdiction. Any arbitrator selected under this Section shall be knowledgeable in the area of the subject matter of the Dispute and shall be selected by the parties to the Dispute, any court in which the Property is located or any private organization providing such services. In the event the parties to the Dispute cannot agree upon an arbitrator, they shall apply to the Chief Judge of the District Court where the Property is located for appointment of a qualified arbitrator.

(b) Stenographic Record. A stenographic record of the binding arbitration mandated by **Section 14.12(a)** shall be made, provided that the record shall remain confidential except as may be necessary for post-hearing motions and appeals. The arbitrator's decision shall contain findings of fact and conclusions of law to the extent applicable, and the arbitrator shall have the authority to rule on all post-hearing motions in the same manner as a trial judge. The statement of decision of the arbitrator upon all of the issues considered by the arbitrator is final and binding upon the parties, and upon filing of a statement of decision with the clerk of the court, or with the judge where there is no clerk, judgment may be entered thereon.

(c) Procedure. If any claim regarding defects in construction is made, each claim shall be specified with particularity. Each location of any claimed defect must be identified, and all evidence supporting each claim, along with all repair methodologies and costs of repair, must be provided to the party or parties against whom the claim is made in advance of any request for arbitration.

(d) Amendment. Notwithstanding any provisions in this Declaration to the contrary, this **Section 14.12** shall not be amended without the prior written consent of the Declarant.

14.13. Waiver of Trial to a Jury or Trial to a Judge. BY ACCEPTING A DEED TO ANY LOT, EACH OWNER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY A JURY OR TO A JUDGE WITH RESPECT TO ANY AND ALL ISSUES PRESENTED IN ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM BROUGHT BY THEM AGAINST DECLARANT OR ITS SUCCESSORS WITH RESPECT TO ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THIS DECLARATION OR ANY DOCUMENT CONTEMPLATED HEREIN OR RELATED HERETO. OR ANY CLAIM ARISING OUT OF ALLEGATIONS OF DEFECTIVE CONSTRUCTION.

IN WITNESS WHEREOF, Declarant has executed this Declaration as of the day and year first written above.
